About APRONHANGER

APRONHANGER is a healthcare-focused professional platform designed to connect healthcare professionals, hospitals, medical colleges, diagnostic centres, clinics, nursing homes, and healthcare organizations through a trusted digital ecosystem.

Healthcare is one of the largest and most critical sectors in India — yet recruitment, professional networking, and healthcare commerce remain highly fragmented. APRONHANGER was created to bridge this gap by bringing together technology, transparency, and trust.

Why APRONHANGER?

Challenges Faced by Healthcare Professionals

- Difficulty discovering relevant career opportunities
- Limited professional visibility and reach
- Lack of connection with verified institutions
- Absence of specialty-specific opportunities

Challenges Faced by Healthcare Organisations

- Finding qualified and specialized candidates
- Reaching the right healthcare professionals
- Reducing lengthy hiring timelines
- Managing recruitment efficiently

APRONHANGER was created to bridge this gap — providing a single, trusted digital platform where healthcare professionals and institutions can connect, grow, and thrive.

What We Do

Feature	What It Offers
Healthcare Recruitment	Connect professionals across hospitals, medical colleges, nursing homes, clinics, diagnostic centres, healthcare startups, and telemedicine organizations.
Professional Profiles	Comprehensive profiles showcasing qualifications, registrations, experience, fellowships, publications, and achievements.
CV Builder	Integrated tool enabling healthcare professionals to generate professional, specialty-specific resumes quickly and efficiently.
Career Resources	Specialty-specific opportunities, career guidance, salary insights, professional development information, and industry updates.
Healthcare Marketplace	APRONHANGER Store — a specialized marketplace for medical books, instruments, educational resources, and healthcare products.

Our Vision & Mission

Our Vision

To become India's most trusted healthcare professional ecosystem — bringing together career opportunities, professional networking, recruitment, education, and healthcare commerce on a single platform.

Our Mission

To empower healthcare professionals and institutions through technology-driven solutions that simplify recruitment, enhance professional growth, and improve access to healthcare resources.

Our Values

Trust

We believe trust is the foundation of every healthcare relationship. Our platform is built on verified information, professional accountability, and transparent interactions.

Professionalism

We encourage ethical, respectful, and professional conduct across every interaction within our ecosystem — from job applications to marketplace transactions.

Transparency

We strive to create open, honest interactions between healthcare professionals and organisations — ensuring clarity in recruitment, profiles, and commerce.

Innovation

We continuously explore technology-driven solutions — including AI-assisted matching, automated recommendations, and smart CV tools — to improve healthcare recruitment and professional engagement.

Accessibility

We aim to make career opportunities, professional resources, and healthcare commerce accessible to professionals across every region of India.
